# **BIOGEN**<sup>TM</sup> Tablet

Collagen II and GAGs

### **Composition:**

Each 1 gm **Biogen** Tablet contains Collagen II and GAGs like - Chondroitin sulfate, Keratan sulfate and Hyaluronic acid. It also contains - Glucosamine, Calcium ascorbate (Vitamin-C) and Soy isoflavone.

### **Description:**

Collagen is a primary structural protein which forms cartilages, bones, tendons, ligaments, skin and other connective tissues of the body. Body's collagen production is reduced due to aging which causes joints pain, degenerative bone diseases, wrinkles and brittle hair. Collagen II is the main ingredient of joint cartilage and it is around 90% of total protein. **Biogen** Tablet contains the collagen II which is collected from natural sources. It can prevent and helps to repair the degeneration and assists in treatments of bones and joints diseases, including osteoarthritis and osteoporosis. **Biogen** Tablet helps to maintain optimum health of skin and hair.

### **Effectiveness:**

#### **Helps to -**

- ⇒ maintain stronger bones
- ⇒ relieve joint pain and discomfort
- ⇒ maintain proper movements of joints
- ⇒ maintain proper health of cartilages
- ⇒ regain healthier tone of skin
- ⇒ boost up energy level for the elderly person
- ⇒ relieve constipation, increase elasticity of blood vessels and prevent various cardiovascular diseases.

### **Dosage & administration:**

1-2 Tablets 2-3 times daily with luke warm water. Taking **Biogen** Tablet for 1 month helps to relieve pain associated with osteoporosis of elderly people. After 3 months, the density and elasticity of bones can be improved to a satisfactory level. For arthritic patients, after using **Biogen** Tablet for 2 months, joint pain is expected to improve significantly. Administrations of **Biogen** Tablet for 6-12 months, the deteriorated joints are usually restored to almost normal condition in many patients so they can move easily.

### **Adverse effects:**

**Biogen** Tablet is an organic nutritional supplement with no adverse effects.

### **Drug interactions:**

No drug interaction is yet reported.

**Storage:** Keep in a cool and dry place, away from direct sunlight.

**How supplied:** Each pot contains 30/60 Tablets.
